

## **The Sugar Plums**

Can't you see those lovely sugar plums,  
Dancing here, dancing there, dancing all around?  
Can't you see those lovely sugar plums  
Jumping here, jumping there, jumping up and down?  
Can't you see those lovely sugar plums,  
Hopping here, popping there, never make a sound?  
They're so yummy, in my tummy, nice and gummy, sugar plums!
