

## To All A Good Night

Happy Christmas to all! Happy Christmas to all! And to all a good night.  
Happy Christmas to all! Happy Christmas to all! And to all a good night.

Make my Christmas happy; make my Christmas bright.  
May Santa and his sleigh come this holiday and fill my stocking up tight.  
Make my Christmas happy; make my Christmas bright.  
We all heard him say as he went on his way:  
Happy Christmas to all, and to all a good night

Make my Christmas merry; fill it full of joy.  
May each and ev'ry one have a ton of fun, make it a day to enjoy.  
Make my Christmas merry, make my Christmas bright.  
Good things come to you in all that you do.  
Happy Christmas to all, and to all a good night.  
Happy Christmas to all, and to all a good night,  
To all a good night!
